Amber Seitz is the Senior Manager of Development at Finance Fund, a statewide nonprofit community development entity that moves public and private capital into low-income communities to improve the quality of life for people.

As Senior Manager of Development, Ms. Seitz is responsible for planning, coordinating, and managing Finance Fund's strategic development program including developing program and non-program resources for the corporation. In addition, she supports the organization's outreach to funders from planning through execution to achieve development goals. Responsibilities include proposal development, identifying potential investors and maintaining relationships through compliance and funding proposals, management and coordination of projects and the oversight of the operations and administrative support for Development.

Her 10 years of experience includes leading federal applications including CDFI Fund New Markets Tax Credit, Small Business Administration Community Advantage 7(a) Program, CDFI Fund Financial Assistance and Healthy Food Financing Initiative Financial Assistance programs.

Ms. Seitz has been the lead on six successful federal NMTC applications totaling \$240 million and five successful Ohio NMTC applications totaling \$30.8 million for a total allocation of \$270.8 million. In this function, Ms. Seitz has been part of the Development team that has raised over \$337 million in capital from both public and private sources.

Ms. Seitz graduated from The Ohio State University with a Bachelor of Science Degree in Business Administration with a specialization in Marketing from the Max M. Fisher College of Business.
