Finance Fund Names Diana Turoff President and Matt Frank CFO

Columbus, OH – Finance Fund today announced the promotions of two key staff members. Diana Turoff has been named President, and Matt Frank has been promoted to Chief Financial Officer for the statewide nonprofit financial intermediary.

In her new role, Turoff is responsible for all aspects of operations for the corporation, its affiliates and subsidiaries totaling 22 entities and \$220 million in assets. Her most recent position during her 14-year tenure with Finance Fund was as Executive Vice President & Chief Financial Officer leading grant and loan deployment. Turoff has over 20 years of experience in accounting for nonprofit and for-profit corporations. She earned a Bachelor of Science degree in accounting from Franklin University and is a Certified Public Accountant (CPA).

As Chief Financial Officer, Frank will manage the general financial condition of the corporation and oversee the corporate budget. He joins Finance Fund's Senior Executive Team and now manages the work of the Fiscal and Program Teams. Frank has 15 years of experience in accounting including four years with Finance Fund. He earned a Bachelor of Science degree in business administration from The Ohio State University Fisher College of Business. He is a CPA.

"Diana and Matt bring great insight and leadership to support our work on key issues impacting distressed communities throughout Ohio," said Finance Fund CEO James R. Klein. "They work together to encourage expansion of public and private funding vehicles that attract private sector investment in community-building assets."

About Finance Fund (www.FinanceFund.org)

Finance Fund is a statewide nonprofit financial intermediary that connects community redevelopment projects in underserved markets with public and private sources of capital. Since 1987, Finance Fund and its affiliates have invested more than \$296.4 million in housing, economic development, and community facility projects leveraging over \$1.2 billion. This investment was accomplished through 2,950 awards to community-based organizations throughout the state. Partnerships have enabled low-income people access to 15,750 units of affordable housing, 21,417 direct jobs, and 3,036 early care and education spaces (classrooms) for 69,497 children.
