Finance Fund Relocates to 175 on the Park

COLUMBUS, OH – Finance Fund, a statewide nonprofit financial intermediary, is relocating to 175 South Third Street effective July 1, 2014. The new 11,805 sq. ft. location overlooking the Columbus Commons enables the corporation to better serve clients, partners, investors and sponsors through expanded meeting space, convenient access and parking.

“Our new address is ideally located at the center of Columbus for quick access to our clients throughout the state. We have greatly expanded our meeting space and created a warm, inviting interior in which to conduct business. The new office clearly reflects our mission and values,” said Finance Fund President and CEO James R. Klein.

A wide selection of Finance Fund client projects and success stories are featured in photos and summaries throughout the space ranging from a busy shipping port in Toledo, to volunteers preparing meals in West Liberty, to a young Turkish dancer at a Dayton community center.

“Our job is to partner with public and private entities to spark catalytic investment in distressed communities to drive economic recovery and growth,” Klein said. “We use the words *Partner. Invest. Grow.* in our logo to remind people what we do and why. These words and this activity are featured prominently in our new space.”

About Finance Fund (www.FinanceFund.org)

Since 1987, Finance Fund and its affiliates have invested more than \$296.4 million in housing, economic development, and community facility projects leveraging over \$1.2 billion. This investment was accomplished through 2,950 awards to community-based organizations throughout the state. Finance Fund provides debt and equity to its clients through the management of 22 entities totaling \$220 million. Partnerships have enabled low-income people access to 15,750 units of affordable housing, 21,417 direct jobs, and 3,036 early care and education spaces (classrooms) for 69,497 children.
